

Niepoort 'Fantasi 2006

Illustrated with paper cuts from Hans Christian Andersen, Fantasi is the creation of a pleasant, easy drinking red wine yet keeping complexity, mineral notes and great depth of classic Douro wines. Fantasi is produced from vines from cima corgo, mainly: Touriga Franca, Tinta Roriz, Touriga Nacional, Tinta Amarela, Tinta Barroca and Tinto Cão. 2006 is the first edition of this Douro wine produced for the USA market. It's an intense wine, full of Douro character but fresh and easy drinking at the same time with smooth tannins and fruity aromas, the best company at the table..

Tasting Notes

It is a dark ruby wine with an intense dark and red fruit aroma with spicy character. On palate it is young, appealing and fresh, with fruity tannins, good acidity and appealing structure.

Vinification

2006 was not a hot year in general but with good amount of humidity. Maturation process started slowly and a small rain during middle August was just perfect to balance harvest. Nevertheless high temperatures occurred during last week. After careful selection all the grapes were vinified in stainless steel, with total maceration from 8 to 12 days.

20% of the wine aged for 12 month in French oak, 2^o and 3^o year barrels and the rest 80% was kept in stainless steel vats.
