

Niepoort OLO 2017

OLO stems from the best vineyards in the sub-region of Basto. It is a white wine inspired by the Olo River, which, with its impressive granite landscapes and waterfalls, is considered to be one of the most beautiful rivers of the Vinho Verde region. The abundance of water and granite in this area contributes to the minerality and freshness of the region's terroir. The OLO is a serious, complex and beautifully harmonious wine. v

VINIFICATION

The different grape varieties that make up this wine (Avesso, Arinto, Trajadura and Alvarinho) were pressed together, co-fermented and then matured in stainless steel tanks for 10 months at low temperatures. Finally, a small quantity of barrel-fermented Alvarinho was added to the blend.

TASTING NOTES

Very light in colour, almost crystalline, the OLO offers very complex and exceptionally linear aromas of stone, lemon, white fruit and ginger.

This is an extremely graceful wine with abundant minerality, which thanks to its well-structured acidity, finishes with firmness, intensity and energy.

It may be the most elegant and vibrant vintage we have ever released, as this white wine shows plenty of character, tension and an outstanding balance between its sweetness and acidity.

While the OLO is very different in terms of aroma, its delicate and harmonious character is reminiscent of the fine Rieslings of the Mosel.
